

Capital Loss Carryover Worksheet—Lines 6 and 14

Keep for Your Records

Use this worksheet to figure your capital loss carryovers from 2022 to 2023 if your 2022 Schedule D, line 21, is a loss and **(a)** that loss is a smaller loss than the loss on your 2022 Schedule D, line 16; **or (b)** if the amount on your 2022 Form 1040 or 1040-SR, line 15, (or your 2022 Form 1040-NR, line 15, if applicable) would be less than zero if you could enter a negative amount on that line. Otherwise, you don't have any carryovers.

If you and your spouse once filed a joint return and are filing separate returns for 2023, any capital loss carryover from the joint return can be deducted only on the return of the spouse who actually had the loss.

If you excluded canceled debt from income in 2023, see Pub. 4681.

1. Enter the amount from your 2022 Form 1040 or 1040-SR, line 15; or your 2022 Form 1040-NR, line 15. If the amount would have been a loss if you could enter a negative number on that line, enclose the amount in parentheses	1.	
2. Enter the loss from your 2022 Schedule D, line 21, as a positive amount	2.	
3. Combine lines 1 and 2. If zero or less, enter -0-	3.	
4. Enter the smaller of line 2 or line 3	4.	
If line 7 of your 2022 Schedule D is a loss, go to line 5; otherwise, enter -0- on line 5 and go to line 9.		
5. Enter the loss from your 2022 Schedule D, line 7, as a positive amount	5.	
6. Enter any gain from your 2022 Schedule D, line 15. If a loss, enter -0-	6.	
7. Add lines 4 and 6	7.	
8. Short-term capital loss carryover for 2023. Subtract line 7 from line 5. If zero or less, enter -0-. If more than zero, also enter this amount on Schedule D, line 6	8.	
If line 15 of your 2022 Schedule D is a loss, go to line 9; otherwise, skip lines 9 through 13.		
9. Enter the loss from your 2022 Schedule D, line 15, as a positive amount	9.	
10. Enter any gain from your 2022 Schedule D, line 7. If a loss, enter -0-	10.	
11. Subtract line 5 from line 4. If zero or less, enter -0-	11.	
12. Add lines 10 and 11	12.	
13. Long-term capital loss carryover for 2023. Subtract line 12 from line 9. If zero or less, enter -0-. If more than zero, also enter this amount on Schedule D, line 14	13.	

a line, include cents when adding the amounts and round off only the total.

Disposal of QOF investment. If you disposed of any investment in a QOF during the tax year, check the box on page 1 of Schedule D and see the Instructions for Form 8949 for additional reporting requirements. You must also complete Part III of Form 8997. See the instructions for Form 8997 for details.

Lines 1a and 8a— Transactions Not Reported on Form 8949

You can report on line 1a (for short-term transactions) or line 8a (for long-term transactions) the aggregate totals from any transactions (except sales of collectibles) for which:

- You received a Form 1099-B (or substitute statement) that shows basis was reported to the IRS and doesn't show any adjustments in box 1f or 1g;

- The Ordinary box in box 2 isn't checked;

- The QOF box in box 3 isn't checked;

- You aren't electing to defer income due to an investment in a QOF and aren't terminating deferral from an investment in a QOF; and

- You don't need to make any adjustments to the basis or type of gain or loss reported on Form 1099-B (or substitute statement), or to your gain or loss. See *How To Complete Form 8949, Columns (f) and (g)* in the Form 8949 instructions for details about possible adjustments to your gain or loss.

If you choose to report these transactions on lines 1a and 8a, don't report them on Form 8949. You don't need to attach a statement to explain the entries on lines 1a and 8a and, if you *e-file* your return, you don't need to file Form 8453.

Figure gain or loss on each line. Subtract the cost or other basis in column (e)

from the proceeds (sales price) in column (d). Enter the gain or loss in column (h). Enter negative amounts in parentheses.

Example 1—basis reported to the IRS. You received a Form 1099-B reporting the sale of stock you held for 3 years. It shows proceeds (in box 1d) of \$6,000 and cost or other basis (in box 1e) of \$2,000. Box 3 is checked, meaning that basis was reported to the IRS. You don't need to make any adjustments to the amounts reported on Form 1099-B or enter any codes. This was your only 2023 transaction. Instead of reporting this transaction on Form 8949, you can enter \$6,000 on Schedule D, line 8a, column (d); \$2,000 in column (e); and \$4,000 (\$6,000 – \$2,000) in column (h).

If you had a second transaction that was the same except that the proceeds were \$5,000 and the basis was \$3,000, combine the two transactions. Enter
